Please join **Ability Beyond Disability** on April 24th at the Amber Room Colonnade in Danbury for **“The Confetti Gala – Celebrating Dignity, Independence & Hope”** as we celebrate the Robert S. Young Humanitarian Award Honoree – **Noel Hord**. We hope that you will consider a corporate sponsorship; recognizing both Noel and the fine work that this agency does for people with disabilities.

Among his many contributions to the community, Noel Hord is most recognized for his and his late wife Cora’s extraordinary efforts in promoting education and enhancing career opportunities of young minority people through The Hord Foundation. Together, Noel and Cora developed the foundation as a way to give back to their community. They both valued the role education had played in their lives and wanted to be able to provide scholarships for the education of deserving and disadvantaged youth in their community. Since its founding in 1993, The Hord Foundation has provided higher education financial assistance to deserving and qualified African Americans and in each year it has increased the scholarship dollars it provided. To date the Foundation has awarded nearly \$2.5 million in scholarship awards. Noel is also a past member of the Board of Ability Beyond Disability and has helped support the our mission for many years.

Join us in celebrating both Noel and Ability Beyond Disability on April 24th as this Gala has become the area’s premier fundraiser, attracting nearly 600 guests from the surrounding Fairfield County, CT and Westchester, NY areas. This year’s event is destined to be another who’s who of area corporate and business leaders who share with us a passion for helping people with disabilities. Align your organization with an industry leader and join us for this special evening.

A list of corporate sponsorship packages is enclosed for your consideration.

If you need any further information, please call Casey Provost at (203) 826-3181 or email cprovost@abilitybeyonddisability.org

Sincerely,

George Mulvaney
